

Si piensas en Tenerife,  
no busques qué vas a hacer.

**Pregúntate cómo te vas a sentir.**

If you think about Tenerife, you shouldn't  
wonder about what you are going to do.

**Instead, ask yourself, how are you  
going to feel?**

**Sin el compromiso de Tenerife con el entorno  
y la sostenibilidad, nada de esto sería posible.  
Si dejas huella, que sea positiva.**

Without Tenerife's commitment to the environment  
and sustainability, none of this would be possible.  
If you leave your mark, make it a positive one.
